Showery Canada Day salutes volunteers

*It showered on our pancake breakfast,
And sprinkled on our parade,
But the crowds, they didn't worry,
They came, and then they stayed
From the first plate of pancakes
'Til the last song floated away -
Never mind about the weather!
We had a glorious Canada Day!*

Cloud cover and showers did little to dampen the enthusiasm of Elk Point and district as they gathered to celebrate Canada Day 2001. The Canada Day theme, "International Year of the Volunteer", was evident in every aspect of the day,

which was organized and carried out by volunteers from start to finish.

Celebrations started on the evening of June 30, when the Lions Club and the Volunteer Firefighters combined resources to host a giant, two-band beerfest.

"YOUR PEOPLE SHALL BE VOLUNTEERS" - The youth of Elk Point Christian Community Church saluted the International Year of the Volunteer with their award winning float.

The Canada Day fireworks show just after dusk that evening was nothing short of spectacular, thanks to organizer Marshall Kachmar and generous donations from businesses, organizations and industry.

Over 700 people lined up to feast on pancakes, sausages, scrambled eggs and hash browns at the pancake brunch sponsored by the Elk Point Chamber of Commerce and Servus Credit Union, before lining the streets to watch the parade.

The parade, while shorter than some previous years, had a number of excellent entries, including a buggy

loaded with folks from the Christian Community Church which extolled the virtue of volunteering, and which won the Canada Day theme category. (More parade winners on Page 6.)

With clouds still threatening, the afternoon stage show was moved into the A. G. Ross Arena, with an excellent crowd, fueled with great homemade pie from the Christian Community Church booth and the Royal Purple's Canada Day cake, enjoying over two hours of nonstop entertainment. The younger set congregated behind the arena for a variety of games, face painting

Charlene Baker Memorial Horse Show huge success

Elk Point and District Agricultural Society hosted the Charlene Baker Memorial Horse Show on June 30, with numerous fans on hand to cheer on close to 40 horses and riders.

Jean and Allan Scaife, parents of the late Charlene Baker, were on hand with Charlene's daughter and son, Shanna and Allan Baker, to make presentations to the Senior High Point winner, Shawn Mudryk. As well as the Charlene Baker Memorial trophy and the Senior High Point blanket sponsored by the Scaifes, Mudryk received a \$250 gift certificate from Gaugler Quarter Horses, presented by Colin Balan, which can be used at the GQH sale this fall.

Lana Graham received the ReMax Lakeland Realty blanket for Junior

High Point, while Heather Kerr received the Youth High Point blanket for Bailey's Western Wear.

Riders competed in 30 classes during the full day of activity. Class winners were as follows:

JUNIOR HIGH POINT blanket donated by ReMax Lakeland Realty was presented to Lana Graham by Connie Capjack and Colin Balan.

IMPORTANT CHANGES TO THE

EMPLOYMENT INSURANCE PROGRAM

The Government of Canada has made changes to Employment Insurance (EI) to support Canadian families and to ensure that Canadians who need EI will have access to an improved program.

WHAT'S NEW

- There is no more intensity rule.* Now all EI claimants will receive at least 55% of their maximum insurable earnings. Retroactive to October 1, 2000.
- The benefit repayment (clawback) provision is no longer applicable for claimants who receive maternity, parental and sickness benefits, first-time claimants and claimants who make less than \$48,750 net annual income. Retroactive to the 2000 taxation year.
- Parents who took extended absences from the workforce to care for young children may now be able to qualify for EI regular benefits like other workers. Retroactive to October 1, 2000.
- Self-employed fishers can now benefit fully from the changes made to maternity, parental and sickness benefits. Retroactive to December 31, 2000.

AUTOMATIC RETROACTIVE PAYMENTS

Since mid-June, Human Resources Development Canada has been automatically issuing retroactive payments for adjustments to EI claims affected by the changes. The Canada Customs and Revenue Agency will forward retroactive payments for clawback (2000 taxation year) automatically in about two months.

* The intensity rule, which gradually reduces the basic benefit rate of 55% to 50% for frequent EI users, proved to be ineffective and was removed.

Give your children guidelines for using the Internet

By Deanna Easthope
FCSS Director

Children are home for the summer. Have you given your children some guidelines for using the Internet? The following is only a suggestion of some guidelines you could give your children when on the computer.

Your computer has an OFF switch. You may have heard horror stories about someone coming upon a pornographic site, and when they try to exit it, the

computer cycles through a series of disgusting pictures. This doesn't need to happen. If, at any time, you accidentally come across anything you don't want to see, just turn the computer off. This is a guaranteed way of leaving the site immediately.

You are in control. In general, you have to be looking for inappropriate sites to find them. Only on rare occasions will you access an inappropriate site accidentally.

Accidental access is usually caused by misspelling a Web address. But remember, you have the OFF switch.

Educate parents. Young people seem unafraid of computers and have become adept at using them. Take time to help your parents better understand the computer and the Internet if they aren't already familiar with them.

Keep the computer in a public place. Set up the computer in a place where the fami-

ly regularly can see what is happening on the screen.

Don't believe everything you read. Just as with books or magazines, you can't believe everything. Being in print doesn't make it fact. The same is true of the Internet. Just because it's on the Internet doesn't make it true. Consider the source of information.

Don't give out personal information. Family members should not give out their

address, telephone number, social insurance number, credit card number, name or location, without a parent's permission.

Discuss family rules for computer use. Decide as a family how much time can be spent on the computer and how it will be used.

Don't post pictures on a public Web site. Use e-mail to send photos to friends and family. Don't put family pictures on a Web site that anyone can access.

The above are only a

few guidelines for Internet use. Let your children know the importance of using the computer wisely... Likewise, help them to use their TV time wisely. Did you know that most children watch about 28 hours of TV a week? Therefore, by the time a person is 65, he or she will have watched the equivalent of nine straight years of television.

Oh my, I hope you are enjoying your summer by finding other things to do.

Elk Point Soccer Club winds up the year

By Millie Orr
Elk Point Soccer Association

The soccer season ended last Monday with a party and awards being presented. The party was to be at the golf course but was moved to the arena because of inclement weather.

Juanita Buck, who has been president of the club for a number of years, has resigned her position due to personal obligations. There are various positions on the executive that need filling, so whoever might be interested can contact Juanita Buck at 724-4491. Also at the windup gathering a Harassment Policy was adopted similar to the St. Paul Soccer Harassment Policy.

The soccer season ended with 145 participants who all received some type of award. The coaches and managers got a mini soccer ball.

The U12 and U14 teams received engraved dogtags while the U6, U8 and U10 received acrylic soccer trophies. The youngest group, being our U4 teams, also received trophies.

Six special awards were given this year for

the first time. The U12 recipients were James Braga, for leadership, Kent Boyko for most improved player and Natasha Scott for sportsmanship. The U14 recipients were Christina Moores for sportsmanship, best overall player -

Ashley Demers and Adrian MacKinnon -most improved player.

The evening ended with cake being served to players, parents and coaches. It was a most successful season and we hope next year will be just as great.

RCMP to STEP up enforcement

By Cst. J. E. McDonald
Elk Point RCMP

Starting in July, Elk Point RCMP will be initiating a Selective Traffic Enforcement Program (STEP). The goal of the program is to make area residents aware of the traffic concerns that have been identified to our office and to monthly focus on an individual infraction. The STEP involves awareness and education, as well as enforcement.

For the month of July, attention will be placed on individuals who are found to be speeding into town - particularly at either end of 50th Avenue and Highway 41. This is presently a high priority, now that the weather is nice and people are out walking and children are bicycling. Speeding in the playground zones in town will also be concentrated on during July. The posted speed limit in most of the town is 50 km/h except in play-

ground zones where it is 30 km/h.

The following are some fines associated with speeding (under section 70(1) of the Highway Traffic Act) and there are also demerit points associated with speeding infractions. 1 to 15 km over = 2 demerits and up to \$42 ticket; 15 - 30 km over = 3 demerits and up to \$117 ticket; 30 - 50 km over = 4 demerits and up to \$232 ticket; greater than 50 km over = 6 demerits and court appearance.

Meet our TIC attendant!

By Jennifer Flanders
Tourist Information Clerk

Hey! Jenn here, the new tourist info booth attendant, with a little summary of the people who stopped in to visit me in June.

June 2: the Community Garage Sale and my first day of work, two people stopped in for maps to the sales.

June 8 (Farmer's Day): a man stopped in looking for the golf course.

June 9: a lady came in for some info on the Forts, a man who publishes phone books stopped in for some info (he's from Reno, Nevada!) and a man came in for a campground guide.

June 16: two people came in at different times, looking for the golf course.

June 17: six people stopped in for guides and maps.

June 20: one person stopped in for a campground guide.

June 21: some campers stopped in.

June 23: two people came in for travel guides.

June 28: two people came in for campground guides.

June 29: PROM!! so I left work early to get my hair done, and get dressed and all that.

June 30: two campers in for directions, one person for travel guides and another person looking for the golf course.

Well, that about sums up my month. I'd also like to take this opportunity to thank all my family and friends for stopping in to drop off the things I forgot at home or just to keep me company. Take care.

The Tourist Information Centre is open 10 a.m. to 6 p.m., Wednesday through Sunday. Stop in, visit Jennifer and get the maps, accommodation and campground guides, and other information you need for your summer vacation.

■ Nutrition Notes

Eat smart when you're on the holiday road again

By Carol Moro

Take Off Pounds Sensibly

Car trips are great for family togetherness and usually easy on the budget. But they can be murder on a sensible eating program.

Fortunately, by planning ahead, you can step out of the car feeling just as good about yourself (and your self-control) as you did when the trip began.

If you'll be driving for a long time, take along a cooler filled with containers of ice water, diet drinks, lowfat milk and/or small cartons of fruit juice. Also pack low-calorie snacks like whole grain crackers, chilled and sliced raw vegetables, lowfat cheese, and fruit.

When you're sitting in the car all day, smaller meals will suffice. Make sure, though, that these meals are well-rounded and wholesome.

Fast food can be a lifesaver when you're traveling. Yet who knows what evil lurks in the kitchens of fast food restaurants? You could blow your whole day's budget of calories, fat grams and sodium on one ill-chosen meal.

That's not to say you shouldn't take advantage of a fast food place when you must catch a quick meal. Nearly every restaurant chain offers something that's healthful and tasty — and just as fast and cheap as the fatty, salty foods featured more prominently on the menu. Here are some tips:

■ As far as sandwiches are concerned, smaller is better — and skip the sauces and cheese, please. Chicken may sound like a better choice than hamburger or roast beef, but make sure the chicken is grilled, not deep fried.

■ Side dishes range from wholesome to horrid. Plain baked potatoes are great; rich toppings often provided with baked potatoes aren't.

■ Salads aren't automatically okay. Salads can be high in fat if they include meat, cheese, or fatty dressing.

■ Instead of high-fat, high-sodium breakfast specialties, choose plain toast, packaged cereals and/or orange juice when available.

■ Milk — especially low fat milk — is available at a surprising number of restaurants. It provides the most nutrients for the fewest calories. Watch out for shakes, which can have as much fat as whole milk and as much sugar as a can of soda pop.

So go ahead — enjoy yourself this summer when you're "on the road again." Just don't leave sensible eating habits by the wayside.

Club president reflects on a soccer year to be proud of

By Juanita Buck

Elk Point Soccer Association

This year was an enjoyable one to be part of the Elk Point Soccer Club, and as it is the Year of the Volunteer, I want to personally thank all the people it takes to make this club function as well as it does. As was seen during our awards and recognitions, there are many families that help to make this club a success for the players. Our coaches were willing to come forward and give their children's club a helping hand, and we also have a few dedicated coaches without children in the club. Thanks to all of you. Although the executive had a rocky start with most of the group resigning in the first few weeks of the season, other people came forth and gave of their time to help run the club on the executive. Thanks to all of you. All the other jobs that needed doing were filled by yet more helping hands and carried out behind the scenes without many problems developing. Thanks to all of you.

This club is not a service club that provides a service to others, we provide a service to ourselves or our children, and as such, we must all continue to help with each of the jobs that need doing. We thrive only

because we all help to run the club. If it was left to a few volunteers the club would wither and fade out. I do not want this to happen to us as we have so many fine athletes who enjoy the season and return from year to year.

If your child has played for more than two years, then please consider one of the positions that takes a little more time as something you can offer to the club, as the people who have been doing the jobs for many years do get tired of the same job from year to year, we could all benefit from a break now and then. This, of course, does not apply to the coaching staff who do such an excellent job. We hope you will all come and coach again next year.

Next year I am taking a break as president to complete some personal goals. The club needs a new leader. The job is incredibly fun and it can be done by anyone willing and with a little time available. I will be available for advice so if you are willing, don't be intimidated because you have not done it before — trust me, you will not be fired. Remember, you don't do it alone, there are many people to ask for advice if you are worried or unsure of the job you have chosen and many people will pitch in as the need arises.

In conclusion, here are a few highlights from the season that our excellent, fabulous, exceptional players participated in this year. Our season started early in April with early registration and we found, when the dust settled, that there were 145 players on 10 separate teams. Shortly after that, the executive changed and the season got rolling at the beginning of May with practices and games. Very few practices were cancelled even though the weather was cold and nasty, that's why I am so sure we are a great club with excellent athletes, a little rain didn't stop them at all.

The club sponsored three refereeing clinics and one coaching course.

Our mini soccer players took part in one or two tournaments, Vermilion Mini and Cold Lake Mini. Our youth teams competed in either the Bonnyville Wetlands or the Camrose Midnight Classic, plus of course the Lakeland Cup. Our U14 team played exceptionally well at the Lakeland Cup and scored a personal record number of goals during the play. Our U12 team placed second at the Lakeland Cup and received silver medallions.

All in all, it was a season each player can be proud that they played. Enjoy your summer, everyone.

Fond farewell to FGM's Class of 2001

F. G. Miller High School's Class of 2001 bid goodbye to the halls they have walked for the past six years at a ceremonial Farewell on June 29, attended by a capacity crowd of well-wishers.

Former classmate Steven Salt returned to F. G. Miller to serve as Master of Ceremonies, introducing each member of the class as they marched on stage to the processional songs of "Drive" by Incubus and "Life" by Our Lady Peace. Graduant Tammy Bober led the singing of O Canada.

Grad parent Tony Wentworth congratulated the class on their "tremendous accomplishment," the parents on "endless nights of supervising homework," and the teachers, "to whom we gave our children to shape and mould." He told the students that to different people, "success means a lot of different things. To me, it means to do what I love

to do. Money, fame and fortune are secondary. As a parent, I wish you all the success in the world."

Class historians Carlen Mutch and Curtis Croteau gave an entertaining look at the lives and times of their classmates, as each went up to receive a pin, a pen and a scroll from Students Union President Brad Young on behalf of the Students' Union, F. G. Miller High and the County of St. Paul.

A slide show starring each graduand brought many chuckles from the crowd as the lovely young ladies and handsome young men of today were pictured in their less-glamorous childhood days.

Grad parent Barb Croteau gave memories, noting that 17 members of the class were in Grade 1 together. Since then, some of their first classmates moved away, and others

joined the group to become part of "a lot of good memories." She advised the Class of 2001 to "choose your career path wisely - life is waiting for you."

Class presidents Tanya Pankiw and Zack Duguid thanked all who attended and financially supported the Farewell, the teachers and staff, friends and family, Steven Salt for serving as MC, Mrs. Lindquist and Brad Poitras, the phoning committee of Mrs. Marcoux, Mrs. Leckie and Mrs. Flamand, "everyone's Mom" Mrs. Mutch, Mrs. Stafford, Mrs. Pankiw, Mrs. Croteau and all the parents for

their constant support. "We love you."

Each student was presented with a rose as they descended the stairs from the stage to

Charity tourney July 19

A charity golf tourney at Lea Park Golf Course on July 19 will raise financial support for a 12-year-old Heinsburg student, Keneil Stanley, who requires a kidney transplant.

While all efforts are being made to find an appropriate donor, the family is in need of assistance toward gas, lodging and meals as they attend numerous medical appointments and when the transplant takes place.

Showery Canada Day salutes our volunteers

(Continued from Front Page)

and activities.

With no flag pole available, the crowd joined in what MC Eugene Buck called "a virtual flag raising." Hundreds of handheld flags waved briskly as Cubs, RCMP and representatives of the Royal Canadian Legion, local clergy and the Town of Elk Point saluted the flag as vocalist Theresa Goodman led the singing of O Canada.

Pastor Jim MacLellan spoke of the history of our great land, noting that when explorer Jacques Cartier met the First People who inhabited it, they told him they called their land Kanata, which meant 'village.' "We are proud of our nation, and because of technology, it is a village - the global village in the Iroquois vision," MacLellan said, exhorting those present to make one further exploration, that of their relationship with God. He ended with a prayer for the nation.

Mayor Ed Buck said he is "always proud to come to Canada Day, an event all done by volunteers. Our town is built on volunteers," he noted, with facilities such as the A. G. Ross Arena, the golf club and riding barn created by the community's willing workers. "Every facet of our recreation and social structure is built by volunteers."

The mayor presented a special award to longtime volunteer Lillian Palinka, who is very much involved with the Pioneer Circle Seniors and the Alberta Senior Citizens Sports and Recreation Association. Mrs. Palinka noted that "it takes a lot of volunteers to build a community."

A second award was slated for presentation to Doug Bassett, who has been involved with recreation ever since he came to Elk Point, but who was unable to attend because of his involvement in the minor ball Provincial round robin at the recreation park.

Then it was on to the entertainment, which started with former Elk Point resident Bruce Jacobson, his wife Theresa Goodman, and their children, Charlie and Elizabeth, with "The Log Driver's Waltz" and "Brand New Day." Eugene Buck took up his guitar and

FLAG RAISING GOES VIRTUAL -- With rain threatening outdoors, a forest of tiny Canada flags took the place of one big flag as Cubs, RCMP, Legion representative Gene Russell, Pastor Jim MacLellan and Mayor Ed Buck joined in the singing of O Canada.

ENTERTAINERS EXTRAORDINAIRE - Bruce Jacobson (centre) wife Theresa Goodman and Canada Day stage show organizer Eugene Buck - a man of many hats - got "Back To The Country" with a foot-stomping song.

joined Bruce and Theresa in "Back to the Country," followed by Ed Noel with his accordion in some rollicking tunes. Noel also returned later in the program.

Addison Bartholomew on drums, Gabe Bayduza on accordion and Eugene Buck on guitar accompanied vocalist Rob Holliday as he sang "San Antonio Rose" and "Yesterday Land". Bruce, Theresa, Eugene and Addison backed up Glenn Harms and his brother Roy in two country

classics, "I Wish I Could Fall In Love Today" and "Your Cheating Heart," followed by the great Beatles tune, "With A Little Help From My Friends," dedicated to the community's volunteers.

Kerry Anderson, Sarah Osinchuk and visitor

Kerry Beach sang an a capella version of "In The City," with Kerry Anderson and Sarah following with "He Will Pilot Me," and Kerry Anderson finishing the set with a solo, "I Could Not Ask For More."

Bruce and Theresa, with their daughter on flute, were joined by Eugene to sing "For All The Wrong Reasons." Bruce and Theresa then sang a poignant World War II song, "From The Banks Of Sicily."

A complete change of pace brought some local youths, with their band called SMASH, on stage to play the "Inspector Gadget Theme."

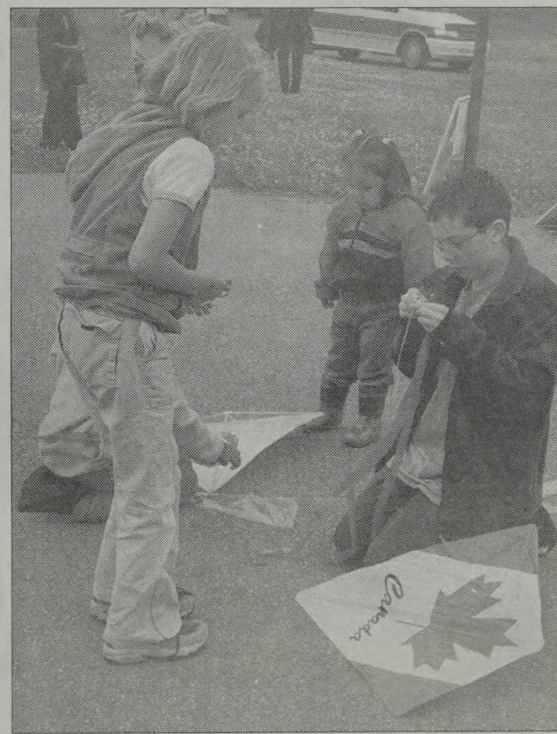

Talented young vocalist Michelle Friesen, a frequent Canada Day performer, offered "Thank You" followed by Marilyn Monroe's "Diamonds Are A Girl's Best Friend."

A CAKE TO SALUTE VOLUNTEERS was served up by Order of Royal Purple members Adaline Zenko, Leona Moneta, Mary Bochon and Lena Stepa.

CLASSIC COUNTRY and a Beatles hit were on the agenda, thanks to local realtor Glenn Harms and his brother Roy.

KID STUFF - Entertainment for the younger set at Canada Day included everything from face painting to flying these maple-leaf-decked kites.

Josh Boyko, Addison Bartholomew and Curtis Beardy wound up the entertainment with two rock numbers, followed by a nostalgic "Last Kiss," with vocals by Josh.

Final item on the program was the Hospital Auxiliary raffle draw with Karen Tingley, Sandra Woytkiw and Phyllis Zarowny the lucky winners.

what's NEWS at the LIBRARY?

Summer Reading Program gets underway with sea tales

By Ashley Larson
Summer Reading Program
Coordinator

The Summer Reading Program started on July with both groups, the Preschool kids at 10:00 a.m. and the Elementary kids at

1:30 p.m. We had six kids in the first group and eight in the other.

The theme for that day was "Tales from the Sea." A couple of books were read to the kids and the craft was a colorful fish that the kids really enjoyed making.

Games were also played outside in the sun before the kids came in for a cup of jello and juice.

Yesterday, storyteller Pearl -Ann Gooding came to the library for a session with both age groups, entitled "Fairies and

GONE FISHING, LIBRARY STYLE - Participants of the Summer Reading Program started off the summer with the construction of some fantastic, brightly colored fish at Wednesday afternoon's session, fitting in well with their day's theme, "Tales from the Sea."

MUSIC MAKERS came from near and far, to help Roy Scott, shown at right accompanying the musicians on his drum, to celebrate his 75th birthday. Roy also joined the musicians to entertain with the spoons, his jiggling doll and his famous musical mule bones. The birthday celebration was a kickoff for a weekend reunion for the Scott family.

Congratulations on a really great year!

Michelle Friesen was the recipient of the Academic Excellence Award and a \$125 scholarship for achieving an over 90% average, resulting in the highest standing for a Grade 10 student at St. Angela's Academy in Prelate, Saskatchewan.

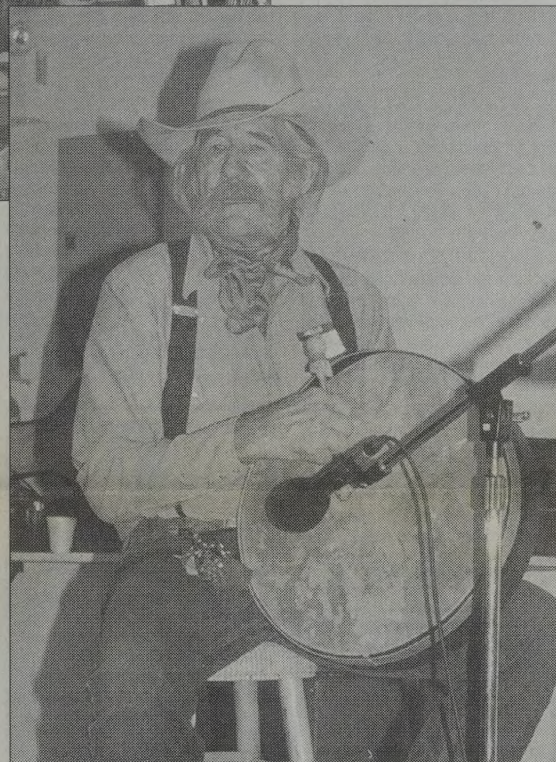

Michelle won the \$50 Fine Arts Bursary as well as the Choral Award. She also received the award for highest marks in Grade 10 Science, Accounting, History and English, as well as being voted Miss Congeniality by her classmates.

A poem written by Michelle was chosen to be published by the Poetry Institute of

Canada in the book, "Year of Memories." Keep up the good work, Michelle!

review **SPORTS**

Stoney Lake stampedes in sunshine

Perfect weather, good crowds and the top-notch rodeo stock provided by Les Trach added up to a great weekend for the 39th Annual Stoney Lake Stampede this past weekend. Cattle penning on Saturday afternoon, an open-air dance Saturday night and a pancake breakfast Sunday morning added to the excitement of two great rodeo performances with Dave Hutton in the

announcer's booth. Stoney Lake Stampede Riders provided a colorful Grand Entry. The Bareback Bronc Riding went to Saturday's leader, Peter Dyck of Amisk, with a winning ride on "Black Beauty," Sunday's top rider was C. J. Best of Elk Point, with a 62 mark on "Haywire."

Calf Roping also went to a Saturday performer. Rocky Ross of Botha clocked in at

9.8 seconds, with none of Sunday's ropers even coming close to that time.

Saddle Bronc ended up in a tie. Travis Reay of Mayerthorpe, on "Indian Outlaw" and Gordie Lambert of High Level on "Debbie" both marked a 75, with Sunday's top rider, Jason Phillips of Airdrie, also riding the great "Indian Outlaw" to a 71.

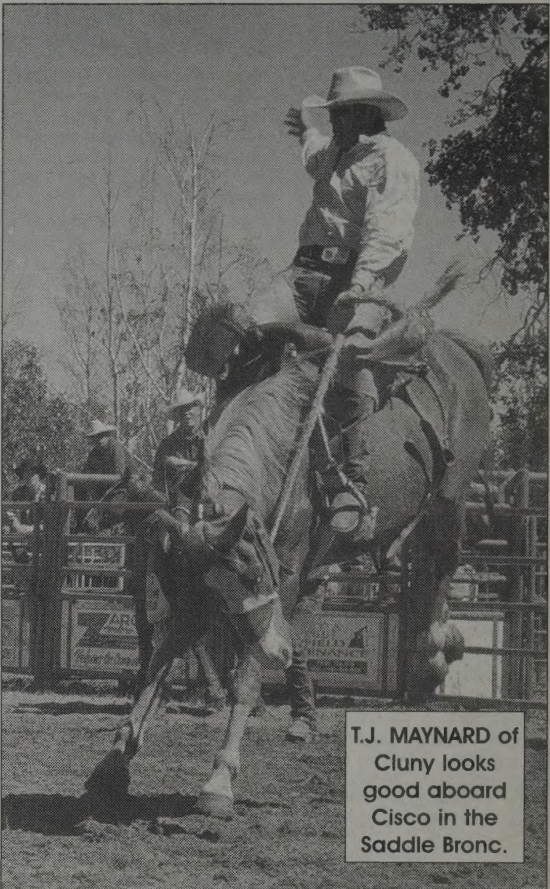

Four goes of team roping saw Marty Lillico and Ronald Schmidt of Barrhead tie up the win with a very speedy 5.5 - second run.

Another fast run Saturday saw Tanner Milan of Cochrane get the job done in 4 seconds flat to win the Steer Wrestling.

Kyle German of Crossfield was the top Junior Bull Rider, marking a 73 in Saturday's performance.

There were no qualified rides on Saturday's Novice Horse Riding, leaving the way clear for Brian Dickson of the Foothills Cowboys Association, who marked a 61 aboard "Stitches" on Sunday.

The area's youngest

T.J. MAYNARD of Cluny looks good aboard Cisco in the Saddle Bronc.

cowboys and cowgirls got into the action during Sunday's intermission as they competed in Mutton Busting and a Calf Scramble. Michaela Betton was the winning Mutton Buster, while Matthew Tymofichuk and Leah MacQuarrie won the Calf Scramble.

Local area cowgirls figured prominently in both divisions of Barrel Racing. No other competitors even came close to Rylee McKenzie of St. Paul

with a speedy time of 17.102 in the Junior Barrels, and Judy Veer of Vilna won the Ladies Barrels with a time of 16.776.

Stoney Lake's own special form of insanity, the Wild Steer and Stoneboat Race, saw two teams sand-surfing behind determined cows and struggling with saddles in a hilarious contest won by the Kevin Drobot team.

Bull Riding saw only one qualified ride on Saturday, a 74 marked by Cody Black of Huxley on "Confusion," but David Vanienhoven of Airdrie moved him down to second hole with a 76 mark on "Alberta Tough" for a great end to Sunday's performance.

Buddy sitting second in Calgary

After three nights of racing, Dewberry's Buddy Bensmiller was sitting second in the aggregate standings at Calgary's world famous Rangeland Derby.

Bensmiller finished 7th Friday night and 9th Saturday, but snagged second day money on Sunday to end up 58/100ths of a second behind Reg Johnstone in the aggregate.

Rae Croteau Jr. and Bert Croteau, both of Bonnyville, are sitting 11th and 12th, respectively, after three trips around the track.
